

Become part of Red Tail Farm!

Join our CSA (Community Supported Agriculture).

By purchasing a share in our CSA we form a relationship with you and you get to know the people who grow your food, thereby continuing a farmer-to-customer tradition that began years ago. Becoming a shareholder makes a statement for supporting local family farms that grow the highest quality food. Your support is also a financial commitment. It enables us to prepare for the needs of the farm, such as purchasing seeds and supplies, and maintaining our overhead expenses to ensure our farm's survival so that we can enjoy the bounty for years to come.

Our CSA members will also receive a weekly newsletter that will give insight as to what happened on the farm that week, what foods to expect in your box and a recipe or two.

We want you to be proud of our farm and what you're having for dinner. If you have any questions we encourage you to send us an email so that we could get back to you after the day's work on the farm. Cell phones are convenient but not when you're harvesting potatoes!

We encourage our CSA members to visit our farm and see how we grow! Please give us a week's notice so we can arrange the best time for you to come out.

CSA shareholders will find a wide variety of veggies in their boxes every week.

The average amount of produce received each week is about a half bushel. This is equivalent to a standard grocery bag. Here are some examples of what to expect:

Early Summer Share: Radishes, Baby Beets, Broccoli Raab, Green Onions, Arugula, Head Lettuce, Spinach and Sprouts.

Mid-Summer Share: Heirloom Tomatoes, Broccoli, Carrots, Zucchini, Garlic, Swiss Chard, Basil and Green Beans.

Late Summer/Early Fall Share: Potatoes, Onions, Winter Squash, Spinach, Lettuce Mix, Thyme, Cabbage.

CSA shareholders will receive:

***20 weeks of VEGETABLES June - October**

***5 bouquets of Tania's organic cut FLOWERS**

***25% off our delicious Pasture-Raised CHICKENS**

***25% off our rich Range-Fed EGGS**

All for \$480.00 for the season. That's about \$24.00 per week.

Payment Options

1. Full Payment Option:

This works best for us as it allows us to purchase seeds and supplies before the growing season starts. Please make your check payable to Red Tail Farm.

2. Extended Payment Options:

You may pay in 2 installments. Please enclose 2 checks. One dated with today's date and the second dated two months later. Each check should equal one-half of the total.

Payments can be sent to us at:
